NATURE OF PROCEEDINGS:

RULING ON SUBMITTED MATTER

The Court, having previously taken the matter under submission on May 2, 2018, issues its ruling pursuant to the Ruling on Submitted Matter, as follows:

- Plaintiffs have met the requirements for certification of the Breach of Contract. Breach of the Implied Covenant of Good Faith and Fair Dealing and UCL claims. There is a well-defined and ascertainable class of sufficient size. The theory of recovery as to those claims appear to be amenable to class treatment as they present common legal and factual questions. The proposed class representatives have claims that are typical of the class, and they are proposed counsel are adequate. Plaintiffs' Motion for Class Certification is therefore GRANTED as to those claims only.

Order Granting in Part and Denying in Part Plaintiffs' Motion for Class Certification is sign and filed on July 20, 2018.

A copy of this Order is served on all parties via the electronic service provider this date.

The Court's rulings on the parties' evidentiary objections are filed and entered from July 20, 2018.
